Try a Truly Unique Matsuura Experience!

Matsuura - Tou Tourism Exchange Association

松浦市のありのままの自然や、暮らしの中にある農漁業を中心とした生業を「農漁業体験」として提供する交流の場。農漁村の民家に宿泊し、夕食や翌朝の朝食を一緒に作ったりするなど、農漁村民泊体験を通して、農漁村の暮らしに根ざした食文化や生活文化を体験できるさまざまなプログラムを用意している。これらを通して、松浦市の地域住民とのふれあいや交流を深め、温かな心の交流を感じることができるだろう。

魅力あふれる数々のプログラムの中で、最も人気の高いプログラムは、手ぶらで出来る「船釣り体験」。釣り初心者も安心して体験できるよう、漁船での移動時間をできる限り短縮し、扱いやすい仕掛けを準備するなどの配慮があり、加えて漁船 | 隻につき | 組での体験スタイルなので安心して気兼ねなく楽しめる。船上ではエサの付け方から道具の使い方まで漁師が親切丁寧に教示。魚が食いついた時の竿に伝わる感触は、一度味わうと病みつきになるはずだ。釣りを通して地元漁師とのふれあいも生まれ、「忘れられない旅の思い出となった」といった体験者からの声が多く寄せられている。

The Agriculture and Fishing Experience is an opportunity for participants to interact with local people. Participants will experience the daily lives of local people, based on agriculture and fishing, in the pristine nature of Matsuura City. Participants stay in a traditional Japanese house located in a farming and fishing village. Various programs are available where participants can experience food and lifestyle culture rooted in farming and fishing village life, such as making breakfast and dinner with local people. Through these experiences, participants will forge meaningful connections and experience heartwarming interactions with the residents of Matsuura City.

The "Boat Fishing Experience (equipment provided)" is the most popular of our many attractive programs. Considerations are given so that people who are new to finishing can enjoy the experience with peace of mind. These include minimizing travel time on the fishing boat, providing easy-to-use equipment, and assigning one fishing boat per group. Onboard, fishers give participants detailed instructions, such as how to attach bait and how to use the fishing equipment. You are sure to get hooked once you feel the tug of the rod when a fish takes hold of the bait. Interaction with local fishers happens naturally through fishing, and participants often say how it became an unforgettable memory of their trip.
